cotations for interest-paying bonds are a price, to which interest must be added, one bonds and certificates of indebted-are flat.

August 4.—Accompying a rethat the Texas drought had been
en in pfri at least cotton prices broke
into today. There was a good deal of
n on the market at times, and some
from houses who have accumulated big
in the past few weeks, but there was
idence of demoralization, and when the
sed weather reports from Texas apd, showing less precipitation than had
reported early, there was a disposition
